

Route of the Watermills

About 3 hours

1. Leave via side gate walk uphill and turn first left down side of complex and continue straight down – continue to road junction
2. At junction turn right. Walk across joining road and turn right again (face oncoming traffic) continue to children's play park area
3. Enter play park on left cross it and leave via steps
4. Continue up the road to the only exit to the left (at no entry sign) (Signpost on left wall Sendero Rio Guadalete)

Turn left here

5. Paved area becomes dirt track down to river – cross river over weir
6. Follow clear path crossing river again over a weir - river is now on left
7. Follow clear path under bridge until next road bridge
8. Detour can be made up to right to road where Bar Cafeteria Corona is to the right
9. Return to bridge and continue with river on left to next road bridge
10. Cross river at road bridge using wooden planked footway at side
11. Loop round and walk under road-bridge continue at bottom of cliff – river to right and road to left
12. Continue along footpath as road becomes dirt track and footpath joins it
13. When footpath forks take the path to the right that leads to the old water mill
14. Cross the weir to the old mill then follow the clear track up towards the town
15. At the top bear right – pass in front of Bus station - continue on up to Arcos Town
